STEP 1 SGC TOKENS

YOUR SGC TOKENS: 84.84

SGC PRICE = 0.6 \$

After the registration you will be transferred to your personal account. Here you'll be able to check your balance, buy tokens and check the ICO state.

You can enter a number of SGC Tokens you want to buy. The amount in wallets does not constitute a purchase of SGC tokens. The required number of SGC tokens with the desired amount of cryptocurrency is calculated at the time of actual purchase of SGC tokens.

This is SGC calculator. Here you can choose the amount and the type of cryptocurrency, you'd like to invest and know the amount of SGC tokens, you'll receive.

Get Address for Payment

Please note that your funds will appear in your account wallets only after a transaction gets 6 cryptocurrencies.

This bar allows you to choose the type of cryptocurrency, for which you would like to purchase Sudan Gold Coins.

After pressing this button the system will automatically create your personal payment address. All the payments that will be sent to this address, will be automatically calculated, converted to the corresponding amount of SGC tokens and sent to your personal accounts' wallet.
